

SAME EMPLOYER • SAME JOB • SAME PAY

INFORMATIONAL PICKET AND RALLY AT KADLEC

It's time for Providence to invest in Kadlec and our Tri-Cities community by settling a strong contract with healthcare workers. We're calling on Providence executives to pay us the same wages that Providence pays other locations like Swedish Medical Center. Same employer, same job, same pay!

A lack of competitive wages has led to rapid staff turnover that is compromising the quality care our community deserves. **Join us on the picket line May 28 to show Providence that our community stands with us in demanding a strong contract that recruits and retains!**
