

WE NEED MORE FROM MANAGEMENT IN ORDER TO SUPPORT OUR FAMILIES!

We're moving forward for a brighter future at Auburn Medical Center. We met with management for our fourth bargaining session on Friday. It was clear that we are quite far apart on wages and other economic proposals. Management proposed taking away the premium in lieu of benefits for our per diem staff. That would negatively impact so many of our members. We need unity now more than ever to push management to do the right thing and bring more to the table.

"Compensation is needed for us to feel we are heard and valued. Let's continue with out vigilance until we achieve our goal. Let's stick as one!"

- Curie Halos, CNA, Float

WE CONTINUE TO LEAD WITH OUR PRIORITIES AT THE BARGAINING TABLE:

- Fair pay – Competitive wages and premiums
- Staffing that keeps our patients safe
- Quality affordable health care
- Respect for the important work we do
- Workplace safety

"We need management to comply with what members need rather than putting employees under the rug. We need them to compensate us fairly to make life bearable."

- Peter Karuri, CNA, MedSurg

NEXT BARGAINING DATES:

- ✓ November 26th
- ✓ December 11th
- ✓ December 5th
- ✓ December 18th

OUR UNITY IS OUR STRENGTH!

On Friday we presented management with our unity petition with over 200 signatures from all our coworkers. We'll continue taking action to show our solidarity and strength and push management to do the right thing!
